

 **UNLEARN:** Redefining Leadership  
for a New Era

# A ONE-DAY STRATEGIC LEADERSHIP SYMPOSIUM FOR SCHOOL HEADS

## THE PREMISE

The biggest barrier to 21st-century education isn't a lack of technology; it is the persistence of 20th-century mindsets. To lead schools into the future, we must first unlearn the industrial models of management, "sage-on-the-stage" teaching, and rote-based success metrics.

Join Navodayam Educare for an intensive, IIM-style brainstorming residency designed to dismantle old habits and reconstruct a vision for the future-ready school.

**Inaugural programme: 9.30 AM - 10.00 AM**
